Six-Acre Park Site Eyed Here

The Lemon Grove Planning Association executive committee met last Thursday afternoon and decided to recommend that the County Board of Supervisors form a county service area in Lemon Grove for the purpose of securing a park for Lemon Grove.

Ed Moses, representing the county, addressed the committee and explained the situation on a proposed 6-acre park in the Massachusetts-Mt. Vernon area, which would be eligible to receive federal funds for development.

Earlier this year, the local planning body voted in favor of looking into the possibilities of developing the park, which at that time was under consideration for federal funding.

Moses told last week's meeting that federal funding had been approved on a matching funds basis, which means that local funds would be required to match federal funds for the park.

The Lemon Grove area has no park or recreation district, which means that one would have to be formed or a county service area would have to be created to raise money for the park.

If the Lemon Grove planning area is used as the county service area, and the maximum amount of federal and local money available is used to construct the park, an 11 cents per \$100 assessed valuation tax base would be needed to finance the park, and a 2.5 cents tax base would be required for maintenance of the park.

In other business at the meeting, discussion of goals took place and the goals, which have been approved by the executive committee, will be circulated to special districts in the area.

The next meeting of the executive committee will be May 11 at 7:30 p.m. in the auditorium at Lemon Grove Junior High School. The public is invited, according to chairman Jim Dorman.

SCHOOL LUNCH — Michelle Helgeson, fifth grade student at Mt. Vernon Elementary School, "raps" with Deputy Dave Pugh of the San Diego County Sheriff's Department. Pugh, assigned to a Lemon Grove beat, is one of several officers who work the school lunch program, talking with young-

sters and often visiting classrooms in Lemon Grove elementary schools. The program is designed to dispell poor police images and promote understanding between students and law enforcement officers.

El Cajon Firm Gets S.V. Park Grading Contract

The Spring Valley community park is another step nearer reality as the result of a contract awarded by the Board of Supervisors for the first development stage, according to Board Chairman, Harry Scheidle.

The \$22,853 contract calls for C. W. McGrath, Inc., of El Cajon to clear and grade the site, construct drainage facilities, parking lot, curbs, walkways, stairs, and decomposed granite areas for future game courts and picnic facilities.

Located within the Spring Valley Sanitation District disposal site on Jamacha Blvd., the park is currently in Supervisor Henry Boney's second district although Supervisor Scheidle spearheaded the project when the area was a part of his third district.

300 Citizens to Fete Byron Netzley For 30 Years of School Service

A banquet honoring Lemon Grove School District Superintendent Byron Netzley for thirty years of distinguished service to the Lemon Grove School District will be given

president of the L.G. Chamber of Commerce.

The banquet is sponsored by the Chamber following a community request that recognition be given for the leadership Netzley has given the District and the community during the thirty years.

Symbolic of his contribution is the dinner committee's choice of master of ceremonies. Chosen was Jim Dorman, a Lemon Grove young attorney who was recently elected a member of the School District Governing Board. Dorman, an outstanding civic leader, is a product of the local District — kindergarten through junior high school.

A short ceremony with former trustees also getting a nod is planned. A youth chorus from the Mt. Miguel En-

semble will provide musical entertainment.

President Richard Nixon, who was Netzley's classmate at Whittier College, was invited by the committee although his schedule indicated that he would not be in the country during the Netzley dinner date.

International Hotel facilities will accommodate only 300 diners and indications are that reservations will reach the capacity well before the Recognition Dinner. Because of that, May 22 has been set as the deadline for making reservations.

Tickets are \$20 a couple. Dinner will be prime rib.

Reservations can be made now at the L.G. Chamber of Commerce office — 469-9621. Checks should be made payable to the Chamber.

Dinner Friday to Kick-Off Old Time Days Celebration

Lemon Grove's Old Time Days celebration, to be held Friday night at a dinner-dance at the Lemon Grove VFW hall.

Cocktail hour will be at 6:30 with a buffet dinner following. Tickets are \$5 a person and are available at the L.G. Chamber of Commerce office and at the VFW hall door.

The grand marshal, Desi Arnaz, will not be present for the dinner but he will be in the parade. Congressman Lionel Van Deerlin wired from Washington that he could not attend the dinner but he, too, will ride in the parade. Honorary Marshal of the parade, Byron Netzley, retiring school superintendent, will be at the dinner.

A door prize drawing will offer a gallon of liquor donated by San Altos Liquor and a hair styling by Beau Monde. Proceeds will go to Public TV Ch. 15, Desi Arnaz' request.

Following the dinner, dancers will trip to the tunes of the John Abelman Trio from Los Angeles, according to dinner chairman, George Tonner. Also programmed by Tonner are the Turnabout, professional entertainers from a San Diego club, and Julia Mills, a college drama student who will present a comedy skit, "Passionella." A trio of lovely ladies — Lucy, Anne and Jo — will entertain with songs from the 40s.

Chamber Membership Reaches Record 153

The Lemon Grove Chamber of Commerce membership total has swelled by 52, it was announced Thursday by Rita Wells, membership chairman of the group.

Mrs. Wells took on the unpaid job of gathering in business firms that have not been members and brought the present total to a record high of 153.

It was Mike Carlen's first meeting at which he presided. He succeeded Bob Russell. Carlen said he would follow through on programs already established by the previous re-

Russell reported on the Community Betterment committee which has been meeting regularly this year. One of its programs is for a lighted co-op service club sign at St. Philip's Episcopal church.

St. Philip's Episcopal church will hold its annual barbecue dinner on Saturday, May 13, 2-8 p.m. On the same day a square dance, sponsored by the Calico Twirlers will be held 8-11 p.m. at the L.G. Woman's Clubhouse. Dale Miller will call.

The big parade is on Mother's Day at 1:30 proceeding east on Broadway from Massachusetts, past Kempf, ending in the carnival area.

Entries in the parade — the 9th annual — include the

secretary, said that the "local" directory would be issued

within the next few weeks. It will cover east county instead of Lemon Grove as previously planned.

Bob Russell, past president of the L.G. Chamber of Commerce, told the new board Thursday that plans are underway to maintain the plaza by way of a County Service Area agreement.

By such agreement the upkeep would be charged to surrounding properties. No petition is required to institute the service agreement, he said. It requires a letter signed by "4 or 5 local citizens."

Presumably, landscaping of the center islands, soon to be installed on Broadway, could be handled the same way. Not so easily resolved will be the striping and sweeping of the privately-owned area between the control curbs and sidewalks along Broadway. This requires a petition bearing 65 per cent of the signatures of total property owners on Broadway. It is believed that there will be a willingness to form a sweeping/striping district after the control curbs and islands are installed.

May 31. It will be at the Plaza International Hotel, Mission Valley South, Hotel Circle, it was announced by Robert Russell, immediate past

School Officials Answer Unification Questions

The following article is the third in a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendents of local school districts and are presented as a service to readers who wish to be informed.

Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) Can the maximum voted operating tax rate for the new unified school districts be changed?

The governing board of the new unified school district will have the same powers and duties that the governing boards of the existing districts have to call an election to change the maximum voted operating tax rate.

2) Will unification result in less State apportionment?

No. Except for the addition of the \$20 unification bonus, the basis of State apportionment will not vary.

3) Will the areawide tax for the new unified districts result in less State apportionment for the area?

No. Unification will not re-

sult in less State apportionment under current computational methods.

4) What is the minimum tax rate that may be levied?

The \$4.78 areawide tax is the absolute minimum that can be levied for general operating purposes, under present law.

5) What will be the tax rate of the new unified school districts?

The precise amount of the tax rate will be determined by the governing board of each newly formed school district just as the tax rate currently levied in each school district is now determined by the governing board of each district.

The total tax for the operation of each of the three unified school districts will be a combination of the \$4.78 areawide tax, none, some part, or all of the authorized maximum voted operating tax rate between the \$4.78 areawide tax rate and the maximum voted operating tax rate for each district, none, some part, or all of the non-voted override taxes now available and the tax rate required to retire outstanding bonds and state loan payments.

6) Will there be an increase or a decrease in the school district tax because of unification?

The 1973-74 tax rate for the new unified school district cannot be determined for the same reasons that the 1973-74 tax rates for existing school

Kahan Agrees To Explain Arizona Arrest

Kahan was arrested by Maricopa County, Arizona, Sheriff's deputies when the truck in which he was a passenger was found to contain half a ton of marijuana.

Charges were dismissed in February when a Maricopa Sheriff's detective refused to reveal the name of an alleged informant in the case. Last month, an indictment against Kahan and El Cajon resident

Hoover: Passing of an American

I knew J. Edgar Hoover through correspondence. Via mails we developed a togetherness and a respect that came as close to being a friendship as it could without personal contact.

I must admit I admired Mr. Hoover for his unflinching posture against those who would subvert our freedoms to the causes of crackpot ideologies.

He stood the firmest ground among those who had the ability to dissect propaganda and reveal subversive forces and he unclothed the subverts and many of them stood nakedly guilty for what they were.

He taught that respect for the law was vital for an orderly society. He firmly believed that respect for the law had to start with the individual—and he encouraged it on an individual basis.

A pleasant remembrance was his reaction to my communication to him regarding a liberal group on Grossmont College campus which was bringing in speakers fronting for communist causes without offering a balancing viewpoint.

His reply was sensitive and sympathetic and he commended those who opposed the unbalanced presentation of undemocratic causes.

We again had communications a year later regarding the retirement of Bob Dryden, then manager of the U.S. National Bank in Lemon Grove, who was giving up his trusteeship on the College/High School Board of governors following a heart attack.

"We need to keep people like Bob Dryden on school boards," Hoover wrote. "What is learned at school leads citizens to take postures later that affect the nation. He performs like a good American."

Dryden had taken the position at the school board meeting that communist speakers should not be allowed to spout their philosophy from the public's educational facility. Hoover loved that.

When Dryden retired in 1969, Hoover sent him a letter of commendation which was presented to Dryden at a banquet at which more than 300 people were in attendance.

As liberals infected the government and leftists gnawed at the Constitution, it became almost unpopular to be patriotic—except where Hoover held sway.

He was indeed a sturdy oak under which to stand as the storms came and went.

Re Generation To Entertain L.G. Kiwanis

Lemon Grove Kiwanis will host the Re Generation, a musical group, at its regular May 10 meeting.

Tabbed as ladies' day, the meeting is scheduled for Lemon Grove Junior High School at noon.

Two local young people, Ron Coker and Beverly Reynolds, graduates of Mount Mi-

guel High School, and eight other collegians make up the group. Coker is the group's director and has traveled with Re Generation since its beginnings in the summer of 1970. Beverly is the daughter of Mr. and Mrs. Paul Reynolds, and has been involved with music, as has Coker, since her junior high school days.

The group's music has been developed by Derric Johnson, formerly associated with Skyline Wesleyan Church in Lemon Grove. He has written over 70 songs, done extensive musical arranging and produced numerous record albums, as well as having nearly 14 years of church music ministry.

Part of Flood Control Plan to be Constructed

A large new culvert on South Granada ave. in Casa de Oro will be constructed by early July, according to second district Supervisor Henry Boney.

He said the South Granada project is between Dolores st. and Buena Vista dr. and is a major part of the Spring Valley Creek plan of the County Flood Control District.

The \$17,446 culvert is larger than originally contemplated and will permit construction of a 44-foot wide roadway in the future, he said.

The board of supervisors awarded the contract from funds out of the county's share of gasoline taxes.

According to Rector Kenneth Johnson, workers were removing the roof and cleaning up debris from inside the historic structure. Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Escojo" is an interesting word. It means "I choose." The pronunciation is a little tricky because the Spanish "j" is used like the English letter "h." Thus "escojo" is pronounced "eh-SCOH-hoh." Expressions using "escojo" might be "Escojo quedarme aqui." (I choose to remain here.), "No escojo aquel." (I do not choose that one.) and "Yo escojo tres de ellos." (I choose three of them.)

"Escoja" is the command form and may be used when directing someone to make a choice. For example, we may say "Escoja lo que usted guste." (Choose the one you like.), "Escoja dos, no mas." (Choose two, and no more.) and "No escoja usted de alli." (Don't you choose from there.)

"Escoje" is the form that may be used with "el" (he), "ella" (she), and "usted" (you). This permits us to say "El escoja las manzanas." (He chooses the apples.), "Ella escoje un vestido nuevo." (She chooses a new dress.), and "Usted escoje muy bien." (You choose very well.)

"Escogiendo," pronounced "eh-scoh-hee-EHN-doh" is the way to say "choosing." We might use this in expressing "Estamos escogiendo una casa nueva." (We are choosing a new house.), "Estoy escogiendo un traje nuevo." (I am choosing a new suit.) and "Ella esta escogiendo todo." (She is choosing everything.). "Escoger" is the infinitive form. We construct the infinitive form in English by placing "to" in front of the word. Thus "escoger" means "to choose." We might say "No me gusta escoger." (I do not like to choose.), "Vamos a escoger." (We are going to choose.) and "Es imposible escoger." (It is impossible to choose.)

Lynne Utterback Earns Honors At Redlands

Recognized for outstanding scholastic achievement at the University of Redlands last semester was Lynne Utterback, daughter of Mr. and Mrs. Robert Utterback, 2222 Debeco dr., Lemon Grove. With a grade point average of 3.92, she was listed on the 1971 fall semester honor roll released recently by the registrar's office. Monarchs Take Eagles On Eight Unearned Runs

By Tom Blattler

The Monte Vista Monarch baseball squad, led by the hitting of Mike Jump and the pitching of Morgan Krebbel, slipped by the Granite Hills Eagles, 8-7 last Friday at the Monarchs' home diamond.

Jump, a senior leftfielder, connected on a homer in the third inning which turned out to be the winning margin. The home run came off relief pitcher Jeff Hester, who faced only one batter before Jump.

Krebbel, a sophomore, pitched in his first varsity game after being brought up from the Junior varsity, and gave up four runs, three unearned.

Granite Hills pitchers had tough luck as their teammates committed four errors in the contest. Of the eight runs given up by the Eagles, none was earned.

Mt. Miguel Beats 'Hillers, Loses To Helix

By Paul Stark

Mount Miguel High School split two games last week in a 10-3 victory over Grossmont and a 2-1 loss to Helix.

On Tuesday the Matadors rocked three Grossmont pitchers for 10 runs on 12 hits including seven doubles and one home-run. Bob Pannell picked up his fifth win in eight decisions by pitching a seven hitter, allowed two earned runs, fanned three, and walked none.

The Matadors opened the scoring in the second inning with a three-run outburst against Foothiller starter Bill Waltermire. John Mumaw with one out singled up the middle, then Mike Bruner, Bob Pannell and Paul Schneider each hit run scoring doubles.

In the fifth inning, Mt. Miguel broke the game wide open with a four-run outburst to make it 9-2. Phil Williamson led off the inning with a blast over the right field fence for his first homerun of the season. Ted Updike, on a 2-0 pitch doubled down the right field and then Bowker walked. Mumaw and Bruner to load the bases, and Schneider to bring in Updike. Mumaw and Bruner scored when Miller hit a 2-1 pitch off Curt Hanzel in relief of Bowker.

On Friday, Steve Long continued to be the tough-luck pitcher on the staff as he pitched a two-hitter, struck out seven, but walked five. Helix High's Ken Sluder out-pitched Long as he spun a six hitter, fanned seven and walked only one to run his record to 3-0.

The Highlanders scored their only two runs of the game in the fourth inning, when Dave Zeitz led off with a line-drive single to center, and went to second on Gary Phillips sacrifice bunt. After Dave Oliver walked, Glen Jarvis singled to center Zeitz scored.

Dennis Dupree hit into a force play, but Oliver just nipped the throw home to close out Helix scoring.

Fashionettes, Orioles Win; Still Tied For 'Sox Lead

The Len's of Lemon Grove Fashionettes and the Severin Garzennelli, and Stenbeck Orioles won their contests last week to remain deadlocked for the Lemon Grove Bobby Sox League lead.

The Orioles, on the hitting of Pam Jackson and Doreen Schultz, plastered the Shalee Nibblers, 14-4, while the Fashionettes, led by Lisa Cuadras and Andrea Corrao, laced the Lido's Pizza Spicers, 18-12.

Pam Jackson boomed a home run and a double, while Doreen Schultz added a double and two singles to help the Orioles over the Nibblers, who got a triple from Donna Sportsman. Lisa Cuadras hit a pair of doubles and Andrea Corrao rapped three singles for the Fashionettes.

In other major league action, it was the Quota Club Midgits taking the Southwest Leasing and Car Rental Lessees, 13-4 on Tammy Cole's two doubles, and the Michael's House of Sight and

Sound Quasarettes over the Lions Club Lionettes, 9-7, on a come-from-behind effort.

The Quasarettes, appearing destined for their third straight loss, won the game in the last inning when Jane Peters blasted a bases-loaded triple. Other heavy-hitters in the contest were Valerie Sonos and Coleen O'Brien for the Quasarettes, each lacing a double, and Monica Mendez for the Lionettes with two doubles and two singles.

In the minor league, the Kiwanis Club Emeralds continued to set the hot pace with a 28-5 decision over the Thomas and Son Cougars, while the Lemon Grove Chrysler-Plymouth Crickets stayed tied for the lead with a 15-2 win over the Chula Vista Electric Chargers.

In other games, the A. O. Reed Air Conditioning Koolers claimed third place with a 12-3 romp over the Safeway Plumbing Pipers, and the Catholic Daughters Cherubs opened the L.G. Orthodontics Smilers, 16-1.

The minor league star of the week was Teri Collinge, who struck out 13 batters as she led her Cricket teammates to victory over the Chargers.

Although land crabs live mainly on land, they migrate to the sea to lay their eggs and when the young ones are strong enough to travel the parents return with them to their inland surroundings.

SV SOX — Spring Valley Bobby Sox League action was hot and heavy last week, and this play showed that one must be quick when running the basepaths. The runner in the photo, of minor league play, was nipped at second base. (Mark Coffin photo)

Junior High Band Eyes Maytime Band Review

The 1971-72 Lemon Grove Junior High School band season began last September, has wound through Chula Vista, San Diego State College, Lakeside and other local areas, included individual and group competition and months of hard practice. All of it has been directed toward an area 450 feet long on Eighth st., in National City.

That distance will make up the competition zone for the 25th annual Maytime Band Review beginning at 10:30 a.m. Saturday morning.

The 96-member Trojan band, including 13 rows of seven musicians each, four banner-line girls and drum

El Capitan, moved into first place by defeating the Granite Hills Eagles, 205-213, last Friday afternoon at the Singing Hills course.

Leading the way for the Monarchs was sophomore Mike Wright with a 38. Bob Gossett and freshman Dave Watson each shot rounds of 40.

Taking medalist honors for the day was the Eagles' Paul Winsatt, who carded an even-par 36.

The Monarchs will meet the third place Helix Highlanders tomorrow in a crucial contest.

major Bill Rice, will be among 55 outstanding junior and senior high school aggregations, totalling about 6,000 students, parading before an expected crowd of 85,000.

Considered one of the prestige band competitions of the year, the Maytime has attracted entries from throughout Southern California and as far away as Vallejo in the San Francisco bay area.

Although the overall parade distance covers just over one mile, it is that 450 foot competition zone between E and F avenues, on Eighth st., where the real excitement takes place.

Judges from the Southern California Band and Orchestra Association diligently look for dust on shoes, a crooked hat, marchers out of step or not looking straight ahead and the slightest unevenness in lines in addition to showmanship and quality of music as they rate bands.

Winners in various classes are determined on a basis of

least points deducted from a starting score of 1000.

Two school busses will carry director Harry Weisgerber and the green and gold clad Lemon Grove band to a parade which has a yearly waiting list of 16 schools. Bands are invited back to Maytime each year only if their past year's performance was above a certain point level. New entries must have shown ability by scores from other events before being considered.

Lemon Grove, in addition to competing in Class B, Division III, will be vying for the coveted United States Marine Corps trophy given to the top scoring small high school or junior high school. The Trojans have won the trophy four times, more than any other school in the parade's history. Their victories came in successive years, from 1961-64.

Russia plans 50 new cargo ships.

Hutchison, Ned's Split Games To Remain Tied

Hutchison Roofing, and Ned's Outboard, in the early-season battle for first place, each split a pair of games last week to remain tied for the top spot in the Sky-Grove Pony League standings.

Ned's Outboard got out on the wrong foot with a 6-4 loss to the Lemon Grove Lions Club, but bounced back to shut out the same club, 5-0 in the second game.

In the second contest, Lions twirler Mike Slay, with two runners on base, was attempting to intentionally walk Ned's batter Ken Heffernan when he accidentally put one pitch over the plate. Heffernan jumped on the gopher all and rode it out of the park for a three-run homer.

Ebco Steel and Hutchison took the field twice during the week, each coming away with a victory. Ebco won the first game on superior pitching of Mike Smith, who tossed a one-hitter for five innings. Reliever Mark Williamson was less effective, but Ebco got the nod, 9-5.

In the second game, Hutchison batters teed off on Ebco pitching for a 10-5 decision. Leading the way for Hutchison was Roy Runions, who collected five hits in as many trips to the plate. Robert Bryan, who handled the pitching chores for the winners, also got into the batting act with a two-run homer in the sixth inning. Also adding to the Hutchison scoring was Craig Leonetti, who belted a solo homer in the fifth inning.

Rounding out the week's play were Lido's Italian Foods and Murphy Plumbing, with Lido's taking both ends of the twin-bill, 6-4 and 5-4, to move into a third place tie with Ebco and Lions Club.

In the Lido's-Murphy con-

tests, Kevin Stafford blasted a two-run home run in the first game to provide the margin of victory. In the second encounter, a suicide squeeze, billed as the most exciting and risky play of the game, gave Lido's the victory.

In the top of the eleventh inning, with the score tied, 4-4, Dean Pudsey reached second on a two-base throwing error, and moved to third on a passed ball to set up the play. Rex Jenner then laid down the bunt as Pudsey charged the plate with the winning tally.

Sports Lagoon Dinner Tickets Moving Well

Tickets are moving briskly for the 1972 edition of the Sportscasters / Sportswriters Association's Golden Jock Award.

The annual stag affair which lampoons sports personalities and spotlights their strengths and their frailties, will be at Kona Kai club May 18.

Tickets are \$25 and are available at the office of this newspaper at 7834 Lester ave., Lemon Grove. Guests will enjoy an open bar, a steak and lobster dinner, a style show, and the Golden Jock presentations. Some of the nominations gets "pretty rough" the scriptwriters admit, "but we've got to work with the material generated through the year past by the nominees."

Al Coupee, president of the 40-or-so members group said "We've got so many splendid nominees for the Golden Jock that the problem is deciding who best deserves it. There are some not even listed who would probably win in a more limited field."

Members of the S/S/A have not only written the material, but will perform in the skits.

This year's list, said by President Coupee to represent the most deserving collection in three years. "Each man will receive fair and impartial treatment in his endeavor to win this most coveted award."

Nominees include: Buzzie Bavasi, San Diego Padres; Bob Breitbard, San Diego Gulls; Peter Graham, Sports Arena; Dr. Ken Karr, San Diego State University; Gene Klein, San Diego Chargers; Marvin Kratter, unattached; Harry Ornest, Sports Arena; David Palm, San Diego Track and Field Club; Harland Svare, San Diego Chargers.

For additional information call Pat Rogers at the Chargers office, 280-2111 or Max Goodwin at 466-1653.

Jumper Wins Trophy For Relay Performance

Arnie Robinson, whose 26' 8" wind-aided jump in the San Diego relay's recently, on a poor runway, has been named recipient of the Peterson Award for Outstanding Performance in Relays. The award was made Monday at the Sportscasters/Sportswriters Assn.

Arnie, winner at the AAU Championships, the U. S. vs. Russia meet and the Pan American games in 1971, is one of San Diego's best bets for the 1972 Olympics.

At the recent Mt. San Antonio relays, he registered two barely-foul jumps of 27' 7". One, he said, was fouled at the jump line by "a quarter of an inch."

Sups to Jockey Tax \$\$ From CPO

If the County Board of Supervisors made anything clear Tuesday, it was that it was not going to let the Comprehensive Planning Organization (CPO) get its hands on about \$9.2 million of its tax income goodies.

The tax is part of sales tax on gasoline starting July 1. The remainder is a one and a quarter per cent county sales tax.

CPO, a distant cousin to SANCOC (Council of Governments) is referred to as a "third level of government."

Revenue from increased taxes would go into a transportation fund which would be controlled by CPO. CPO is made up of appointed members. It would permit appointees rather than elected officials to decide how to spend tax money.

Supervisors have called a meeting for May 11 with elected officials of the county's 13 cities to examine ways to keep the money from CPO.

Goodwill Week Set May 7-13

"Goodwill . . . Adding to America's Human Resources," is the 1972 theme of National Goodwill Week May 7-13; an annual event sponsored by Goodwill Industries in San Diego as well as 146 other cities in America.

This non-profit organization directs its total effort toward helping handicapped people fulfill their individual roles in today's society — evaluation and training those with physical impairments or mental handicaps that limit their job potential, and offering counseling, guidance and job experience to the emotionally disturbed, the ex-drug addict and the alcoholic as well.

School Officials Answer Unification Questions

Continued from Page 1

districts cannot be determined. The following factors affecting a 1973-74 tax rate are not determinable in 1971-72:

1973-74 assessed valuation. The 1973-74 school program and school budget that will be adopted by the 1972-73 school district governing boards for the 1973-74 school year. Legislation that might be passed between now and 1973-74 which would affect school finance.

7) What is the purpose of the \$4.78 areawide tax?

The areawide tax rate of \$4.78 is an important part of the Grossmont area unification plan. The State Board of Education would not have approved the "three-district" unification without the areawide tax because the assessed valuation per ADA in the three districts did not meet the ten percent deviation criterion. The tax will be levied every year on the assessed valuation of the area of the old union high school district and the money so raised will be distributed to the three unified school districts on an ADA basis.

The areawide tax distribution tends to equalize the ability of the three unified school districts to finance their school programs in the same manner as if the assessed valuation of the three districts had been equalized by transferring high assessed valuation parcels of land from one district to another district.

The concept of the areawide tax is not new. A \$1 computational tax rate is now being levied over the entire Grossmont area and distributed at the elementary level. In addition, the total tax rate for the support of the Grossmont Union High School District's grade 9-12 educational program during 1971-72 can be viewed as an areawide tax of \$2.973 which is, in effect, a total of \$3.973 areawide tax rate that is being levied over the entire Grossmont area for the educational benefit of all the students in the area.

8) What are non-voted override tax rates?

Non-voted override taxes are authorized by the Education Code for specific purposes such as education of

pupils in grades seven and eight, certified and classified employee retirement funds, community services, special education programs, etc. The governing board of any school district including a new unified school district may levy, as needed, none, some part, or all of the non-voted override taxes.

9) How will outstanding bonded indebtedness of the union high school district be divided among the newly unified school districts?

The outstanding bonded indebtedness of the Grossmont Union High School District will be divided according to the 1972-73 ratio of the assessed valuation of the three unified school districts.

The proposed "West" Unified District has an assessed valuation of \$195,053,230, or 45.5% of the assessed valuation of the entire Grossmont Union High School District, and would therefore take 45.5% of the indebtedness. The "West" District includes all of Lemon Grove and most of Spring Valley.

The proposed "South" District has an assessed valuation of \$149,121,085, or 34.8% of the present high school district, and would take 34.8% of the indebtedness. The "South" District includes part of Spring Valley and all of Jamul.

10) What happens to the bonded indebtedness of the elementary districts?

The bonded indebtedness of the La Mesa-Spring Valley and Lemon Grove School Districts and a share of the high school district will automatically become the bonded indebtedness of the "West" Unified School District.

The bonded indebtedness of the Dehesa, Jamul-Las Flores, Union School Districts and Cajon Valley Union School District and a share of the high school district will automatically become the bonded indebtedness of the "South" Unified School District.

He eluded police in the search that followed but later gave himself up. He had hidden beneath a house near the hospital, then "hot-wired" a car to escape after it became dark.

Youth Center Youngsters Clean LG Plaza Area in 'Appreciation'

Youngsters of the Lemon Grove Youth Center bulwarked by Scout Pack 318, swept down the railroad right-of-way picking up rubbish Saturday.

"It is their way of showing appreciation for the community's response to their needs," Dale Wood, the Center's director said Saturday.

The Youth Center has become a gathering place for youngsters in their early teens who, generally, had no other place to meet. Generous residents have contributed to the operation and upkeep of the facility for more than a year. The cleanup project was their own idea.

Funds have come from a small group of dedicated citizens although the cost is heavier than even the few generous contributors could afford. Many persons responded to a plea for aid. Money, food, furniture, pool playing equipment, popcorn poppers, rugs, and ping pong equipment have been donated. Funds have been used to pay insurance, rent and payroll.

The present need is for the use of a bus for a field trip to the Cuyamaca State Park on May 13. The group planned the outing before learning bus rent is high. They still want to make the trip — but they need bus fare.

David Bulcao, a college student counseling aide at the Center, said there is a need for a sponsor for Padre baseball tickets for a visit by

about 10 Center youths and a parent of each. They plan to attend the San Diego-Cincinnati game on May 20 or 21. Usually, a local service club offers this aid, but none has volunteered so far, he said.

During the week the arrival of pool cue sticks was promised. Enough furniture to improve the meeting room was also made available. It will be picked up as soon as a truck is obtained to transport it.

A newspaper subscription project by which a portion of the proceeds go to the Youth Center Association is continuing by this newspaper. Fifty cents for each subscription sold by a newspaper representative is given to the Center. Including donations from individual the total has reached \$205, according to Frank Shughrue, treasurer of the Center Association.

Payments are made from subscription as the subscriber pays. Those who agreed to subscribe are listed weekly in this column. A surprisingly large number come from Spring Valley although the Center is in Lemon Grove. The reason is that many of the youngsters who use the Center are from Spring Valley, Shughrue said.

This week's list:

From Spring Valley
Leroy Deise, Brampton st.
Mrs. Donald Doyle, Lamar st.
John Eagleton, Galapago st.
Mrs. Paul Dunlap, Tyler st.

Political Merry-go-round

A group of students at Grossmont college have formed an on-campus political organization "Students in Support of Dick Brown." The group will pass out literature for Brown who seeks election as supervisor of district two. Meanwhile, Brown lashed back at charges that he favored SANCOC, a third level of government. He said that he initiated legislation which killed SANCOC in the last session of the state legislature.

Al and Angela Marshall have mailed a letter to East County residents requesting support for Bob Divine, a candidate for supervisor in the second district. Marshall is an executive with the Grossmont High School District. Divine was graduated with honors from UC, Santa Barbara, in Political Science. His father is vice-principal of Monte Vista High School. Young Divine has just returned from serving in the U. S. Navy as a Lt (jg).

Marshall said Divine would run a high level, minimal budget, people-to-people campaign.

Local supporters of Democratic presidential candidate Hubert Humphrey will open regional headquarters soon. County headquarters have already been established on the third floor of the California Theatre building at 1122 4th ave., San Diego.

Area Democrats involved include Leland Mabel Bryan, Clarence Torbitt, Sam McCauley, and James Tift. They will also help form an east county election office.

Those who want to help should contact Barrett Herriott of Santee at 448-4946 or Sam McCauley of Spring Valley at 466-6250.

Thomas F. Pat Kelly, a candidate for supervisor in district two, will speak at 1 p.m. at the Friday meeting of the El Cajon Women's club, 8007 Cuyamaca st., Gillespie Field. Kelly, 54, is seeking election for the first time.

William D. Clements will speak at a meeting sponsored by Young Republicans at California State University at San Diego at Aztec Center at 3 p.m. Sunday. He is a candidate for supervisor in district two.

San Diego County headquarters for the Ashbrook for President Committee has opened at 1115 Chase ave., El Cajon. The telephone number is 447-2234.

Officially announced at the opening were the names of Ashbrook committee members: Mrs. Anna Dewey, El Cajon, county chairman; Mrs. Corinne Evans, La Mesa, precinct chairman; Mrs. Dorothy Drees, treasurer; Gary G. Krop, publicity chairman; Mrs. James S. Ketcham, new headquarters chairman; Bart Crawford, finance chairman; and, Mrs. George H. Dunklee, new headquarters co-chairman.

The headquarters is open from 10 a.m. to 4 p.m.
